

# PUCH 175 TIRE GUIDE

Model Numbers 810.94160-810.84170, 810.94211

Bike Owned by Gary Claxon

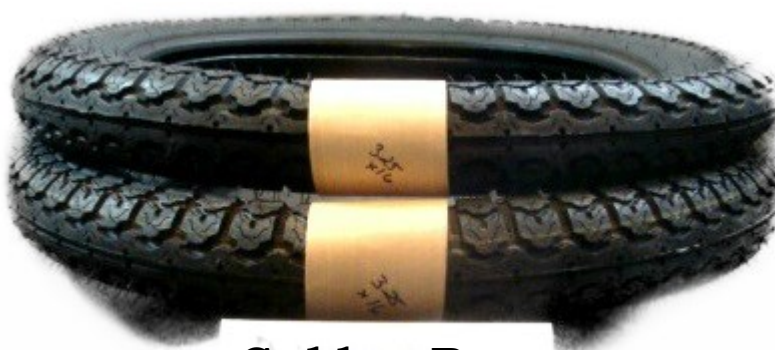

## **QUICK CHECK!**

If you don't know your Twingle's model number, a 175 will always:

- Have **ONE** spark plug (**B7HS**)
- Have **ONE** gas cap

Once you're sure you have a 175 Twingle, we can move on to...

## **TIRE OPTIONS FOR 175**

### **Golden Boy**

**3.25 x 16**

'Golden Boy' tires are 4 ply with a vintage tread pattern and are very similar to the original Semperit tires

**900.0828GK Tire Kit** contains: 2 - **Golden Boy 3.25 x 16 Tires # 900.0828G**

All items available individually

2 - **3.25 x 16 Inner Tube # 900.0849**

2 - **16 Inch Rim Strip # 900.0830**

### **Shinko**

**80/80 x 16**

Shinko tire with modern tread pattern and low profile suitable for 175 Twingle use. (Should be used in pairs because of the sidewall height difference from the original Semperit.)

**Shinko 80/80 x 16 Tire # 900.0828**

## **Tubes and Rim Strips**

**3.25 x 16 Inner Tube # 900.0849**

**16 Inch Rim Strip # 900.0830**
